

Consultant - TDR's Research Capacity Strengthening activities - (TDR.2026.013)

Contractual Arrangement: External consultant

Contract Duration (Years, Months, Days): 11 months

Job Posting: 04/08/2026

Closing Date: 04/22/2026 23:59:00 PM (CET)

Primary Location: Anywhere

Organization: HQ/TDR Special Programme for TDR SCI

Schedule: Full-time

Purpose of consultancy:

The consultant will work on different components of the TDR Clinical Research Leadership, TDR's Implementation Research Leadership fellowship programme and TDR's Postgraduate Training programme.

Background:

Research Capacity Strengthening (RCS) activities are at the heart of the UNICEF/UNDP/World Bank/WHO Special Programme for Research and Training on Tropical Diseases (TDR) strategy 2018–2023, which aims to contribute to the achievement of the Sustainable Development Goals (SDGs) by 2030 and to support universal health coverage (UHC).

The TDR/RCS objectives refer to the capacity to produce evidence that directly informs public health practice and policy, as well as strengthens LMIC research capacity across implementation and clinical research, specifically aiming to build research leadership for the future to:

- strengthen capacity in LMICs to conduct interdisciplinary priority research by supporting individuals, institutions and networks; and
- promote institutional and individual leadership in health research through postgraduate training grants and clinical research career development fellowships.

This consultancy will contribute to the TDR/RCS objectives and is essential for an efficient delivery of the activities.

Deliverables:

Objective 1: Data mining of thesis of 550 postgraduate fellows to map out all the IR related thesis

Deliverable 1: A comprehensive, detailed report to show the impact of the programme is delivered by June 2026

Objective 2: Qualitative and quantitative analysis of the full M&E dataset of 550 TDR postgraduate grantees

Deliverable 2: A complete report is delivered by 15 May 2026

Objective 3: Conduct survey of TDR CRL cohort 1 and 2, to show the immediate outcome of the fellowship

Deliverable 3: A full report based on mixed method developed by February 2027

Objective 4: Prepare the materials for the agenda item related to the 2027 CRL alumni meeting (nearly 200 participants)

Deliverable 4: All oral and poster presentations are prepared for the speakers and alumni by February 2027

Additional Information:

- This vacancy notice may be used to identify candidates for other similar consultancies at the same level.
- Only candidates under serious consideration will be contacted.
- A written test may be used as a form of screening.
- If your candidature is retained for interview, you will be required to provide, in advance, a scanned copy of the degree(s)/diploma(s)/certificate(s) required for this position. WHO only considers higher educational qualifications obtained from an institution accredited/recognized in the World Higher Education Database (WHED), a list updated by the International Association of Universities (IAU)/United Nations Educational, Scientific and Cultural Organization (UNESCO). The list can be accessed through the link: <http://www.whed.net/>. Some professional certificates may not appear in the WHED and will require individual review.
- For information on WHO's operations please visit: <http://www.who.int>.
- The WHO is committed to creating a diverse and inclusive environment of mutual respect. The WHO recruits workforce regardless of disability status, sex, gender identity, sexual orientation, language, race, marital status, religious, cultural, ethnic and socio-economic backgrounds, or any other personal characteristics.
The WHO is committed to achieving gender parity and geographical diversity in its workforce. Women, persons with disabilities, and nationals of unrepresented and underrepresented Member States (<https://www.who.int/careers/diversity-equity-and-inclusion>) are strongly encouraged to apply for WHO jobs.
Persons with disabilities can request reasonable accommodations to enable participation in the recruitment process. Requests for reasonable accommodation should be sent through an email to reasonableaccommodation@who.int
- An impeccable record for integrity and professional ethical standards is essential. WHO prides itself on a workforce that adheres to the highest ethical and professional standards and that is committed to put the WHO Values Charter (<https://www.who.int/about/who-we-are/our-values>) into practice.
- WHO has zero tolerance towards sexual exploitation and abuse (SEA), sexual harassment and other types of abusive conduct (i.e., discrimination, abuse of authority and harassment). All members of the WHO workforce have a role to play in promoting a safe and respectful workplace and should report to WHO any actual or suspected cases of SEA, sexual harassment and other types of abusive conduct. To ensure that individuals with a substantiated history of SEA, sexual harassment or other types of abusive conduct are not hired by the Organization, WHO will conduct a background verification of short-listed candidates.
- WHO has a smoke-free environment and does not recruit smokers or users of any form of tobacco.
- Consultants shall perform the work as independent contractors in a personal capacity, and not as a representative of any entity or authority.
- WHO shall have no responsibility for any taxes, duties, social security contributions or other contributions payable by the Consultant. The Consultant shall be solely responsible for withholding and paying any taxes, duties, social security contributions and any other contributions which are applicable to the Consultant in each location/jurisdiction in which the work hereunder is performed, and the Consultant shall not be entitled to any reimbursement thereof by WHO.
